

Rhea County High School Band Parent Note Policy

- Students may ride home with their parents/guardians from the away site.
- The parent must submit a note template stating that the student will be leaving the away site with the parent/guardian. The parent must sign and date the note.
- Notes will only be accepted before the RCHS band departs from Rhea County High School. The deadline to turn in notes is the call time for the event.

• WE WILL NOT ACCEPT NOTES AT THE AWAY SITE!!

- The parent must check the student out with the correct bus chaperone before leaving the away site and must sign the bus chaperone's check out list.
- All notes must have the student's first and last name printed on the note.

• Can students ride home with a friend and their parents?

- If student A is departing from the away site with the parents of student B (must be a RCHS band student), then student A and student B must state that on both notes. NO EXCEPTIONS!!
- ONLY the RCHS travel note templates will be accepted. No emails, text messages, or phone calls are permitted.
- If a student does not check out properly or in some way does not follow the right protocol of the parent note policy, then the staff has the right to take away the "riding home with parents" privilege. In situational matters or problems, then judgment of the RCHS band staff will prevail.
